

Datum's 4Post™ Storage Locker is an inexpensive choice for personal locker storage. The units are built to accommodate 4Post™ accessories, and can come preconfigured as starter and adder units to include garment rods, storage shelves with grommets, louvered locking drawer, louvered lockable hinged door (padlock), and J hook accessory panel. These units have the ability to add power, for charging personal electronics.

## FEATURES

- Cabinet is manufactured from 22 gauge steel
- Hinged doors are manufactured from 18 gauge steel
- Lockable via a padlock hasp (padlock not included)
- Shelves feature grommets to add electric
- Sizes are the same as, but not limited to, Datum's traditional 4Post™ Shelving
- Pull out drawer locks separately from the rest of the cabinet
- 4Post™ leveling glides included for non-level floors
- Powder-coated finish available in a variety of colors
