Smart Storage That Solves Problems

PREVENT UNAUTHORIZED ACCESS

Keep critical inventory secure with multi-point locking systems that eliminate unauthorized access. Plus, heavy-duty steel construction protects against break-in and theft.

SAVE TIME & MAXIMIZE READINESS

When seconds count, your team can hit the ground running thanks to gear that's neatly organized and ready to deploy. You'll mobilize quickly and safely without missing a beat.

STORE CRITICAL INVENTORY, WEAPONS & FILES

Whether its weapons, tactical gear, case files or evidence like drugs, cash or contraband, a secure storage system makes it easy to track and organize a wide range of property.

CUSTOM DESIGNED FOR YOUR SPACE & NEEDS

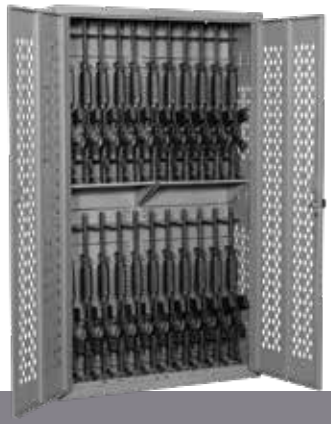
Our storage systems are designed specifically to meet your unique priorities and objectives. We present solutions based on your input, and deliver projects that support your mission.

RETROFIT OR NEW CONSTRUCTION SOLUTIONS

No matter if you're designing a new facility from the ground up or replacing existing infrastructure, our storage systems integrate easily into both new construction and retrofit projects.

INCREASE EFFICIENCY & REDUCE COSTS

When your team can find what they need fast, your organization will work smarter and better. That means lower overhead, higher productivity, and dramatic cost savings over time.



Secure Weapon Storage

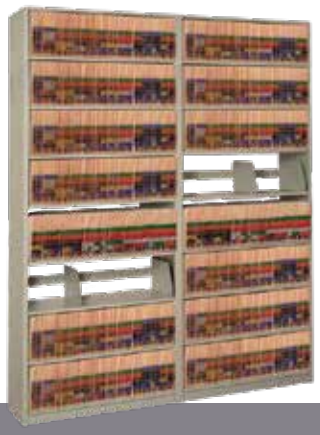
Law enforcement trusts our locking storage racks to secure rifles, pistols, ammo and other critical gear.

Custom Locker Systems

From personnel lockers to gear lockers, turnout lockers and storage lockers, secure what matters most.

Mobile Aisle Storage Systems

Secure any type of inventory, including weapons, in less than half the space of traditional shelving.



4Post Shelving

Infinitely customizable shelving systems for small files, bulky inventory, boxes, gear and more.

Tech Storage

Store and charge the latest technology, laptops, tablets and more to keep your team active online.

Evidence Storage Systems

Organize critical evidence in customizable enclosures that maximize security and storage.

A Trusted Partner to Law Enforcement Since 1968

At DATUM, we've been helping organizations just like yours maximize storage efficiency for over 50 years. From evidence to electronics, and firearms to case files, our systems enable speed, security and dramatic cost savings. When your critical inventory is quickly accessible, robustly secured, and consolidated into smart, space-saving storage systems, your organization will run smoother.

TRUSTED SINCE 1968

Family owned since the beginning, we put our customers first in order to build relationships that stand the test of time.

PROUDLY MADE IN THE USA

Our 100% US-based team and manufacturing plant can respond quickly and personally to orders and customer needs.

LIMITED LIFETIME WARRANTY

We stand behind our products personally, and promise to take care of any issues over the lifetime of our systems.
