- Constructed of 14, 16, and 18 gauge fully welded steel
- Leveling glides included to adjust door alignment in field
- Back and side panels feature component security screw holes
- Seven locking points and hasp for customer supplied padlock
- Internal lock bars on doors to reduce interference with stored weapons
- Perforated doors and side panels allow for visual inventory without opening doors
- Racks can be bolted to wall studs, side to side, or on top of each other
- Compatible with Datum MobileTrak<sup>®</sup> and TrakSlider<sup>™</sup>
- Racks finished in 15 standard powder coat colors
